Armen Meliksetyan

@arm\_\_\_\_001

### About Me

I was born in 2006. I like innovative technologies, programming, especially web and artificial intelligence. I like graphic design and photography. I am curious, resourceful and always ready to learn more and innovate.

### Education

#### N 161 basic school after G. Nzdeh

I studied here for 9 years with excellent progress.

**2012-2021**

#### NUACA high school, IT faculty

I will study here until 2024. I study with absolute excellent progress.

**2021-now**

#### TUMO center for creative technologies

I am studying in TUMO since 2018 and Here I communicate with experienced specialists, representatives of other countries, the founders of the organizations. I gain a lot of experience.

#### Different IT companies and courses

I always participate in various courses and seminars. You can see the certificates in my portfolio.

### Experience

I do not have work experience in any organization yet. But I've created projects for myself and my friends.
